Diagram 5 illustrates the assembly of the drawer front. The components shown are:

- Drawer front (16)
- Side rail (11)
- Drawer front (12)
- Side rail (6)
- Drawer front (13)
- Side rail (12)
- Drawer front (11)
- Side rail (16)

The assembly steps are as follows:

- Attach the top rail (11) to the side rail (6) using screws (e32).
- Attach the bottom rail (12) to the side rail (6) using screws (e32).
- Attach the front panel (13) to the side rail (6) using screws (r42).

The diagram also shows the drawer front (16) being attached to the side rail (11) using screws (p1) and the drawer front (12) being attached to the side rail (11) using screws (p140). The drawer front (16) is shown with a black arrow pointing to the side rail (11).
