This diagram shows the exploded view of the assembly unit. The components are labeled as follows:

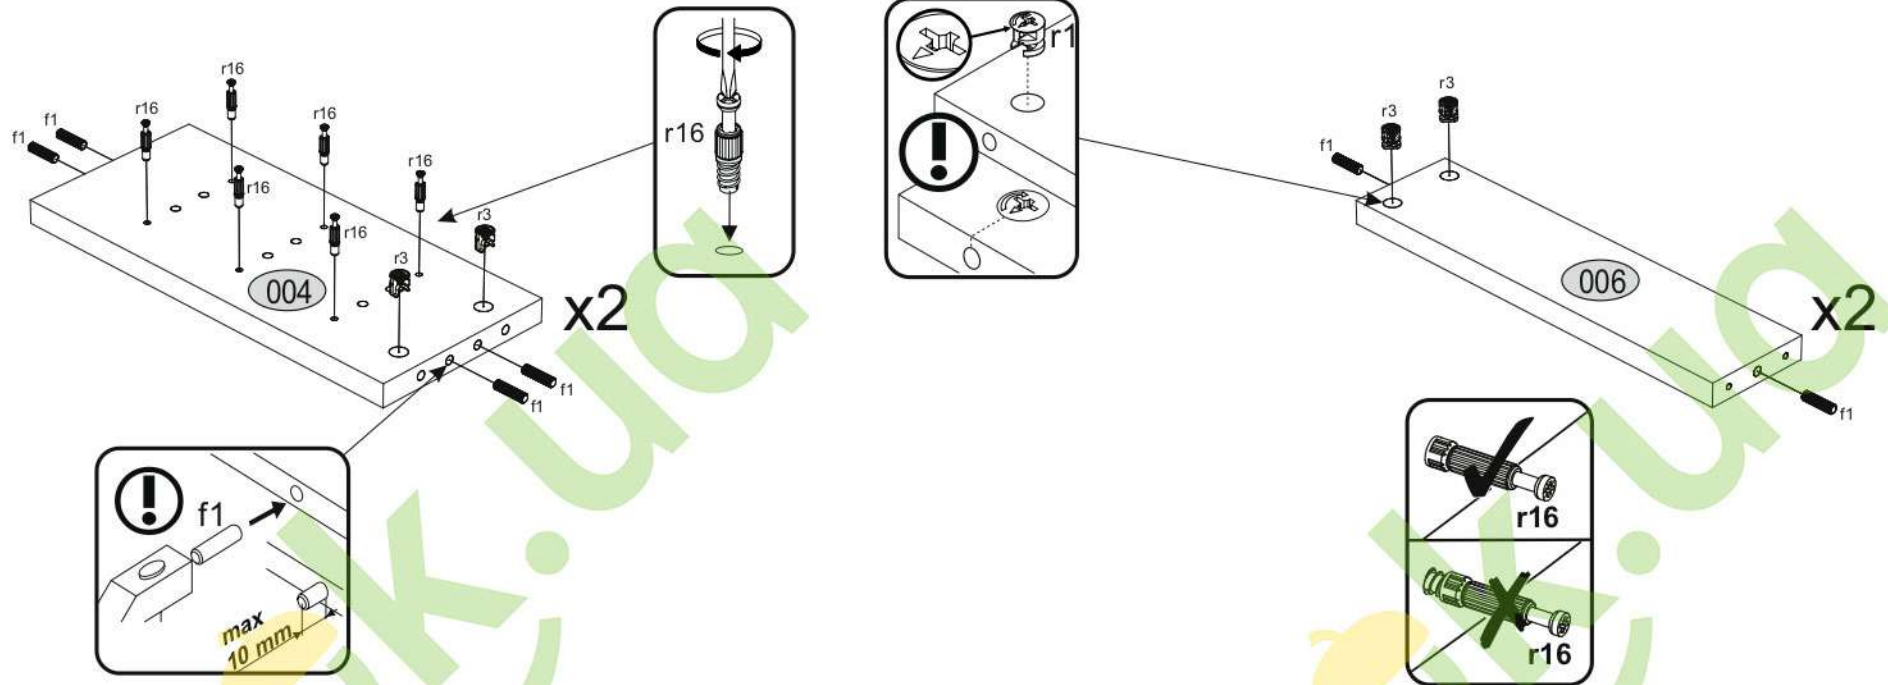

- 001**: The main rectangular frame or base.
- 002**: A vertical support or divider piece.
- 003**: A horizontal support or divider piece.
- 004**: A vertical support or divider piece, shown being inserted into the frame.
- 005**: A horizontal support or divider piece, shown being inserted into the frame.
- 006**: A vertical support or divider piece, shown being inserted into the frame.

Arrows indicate the assembly direction for parts 002 and 004.

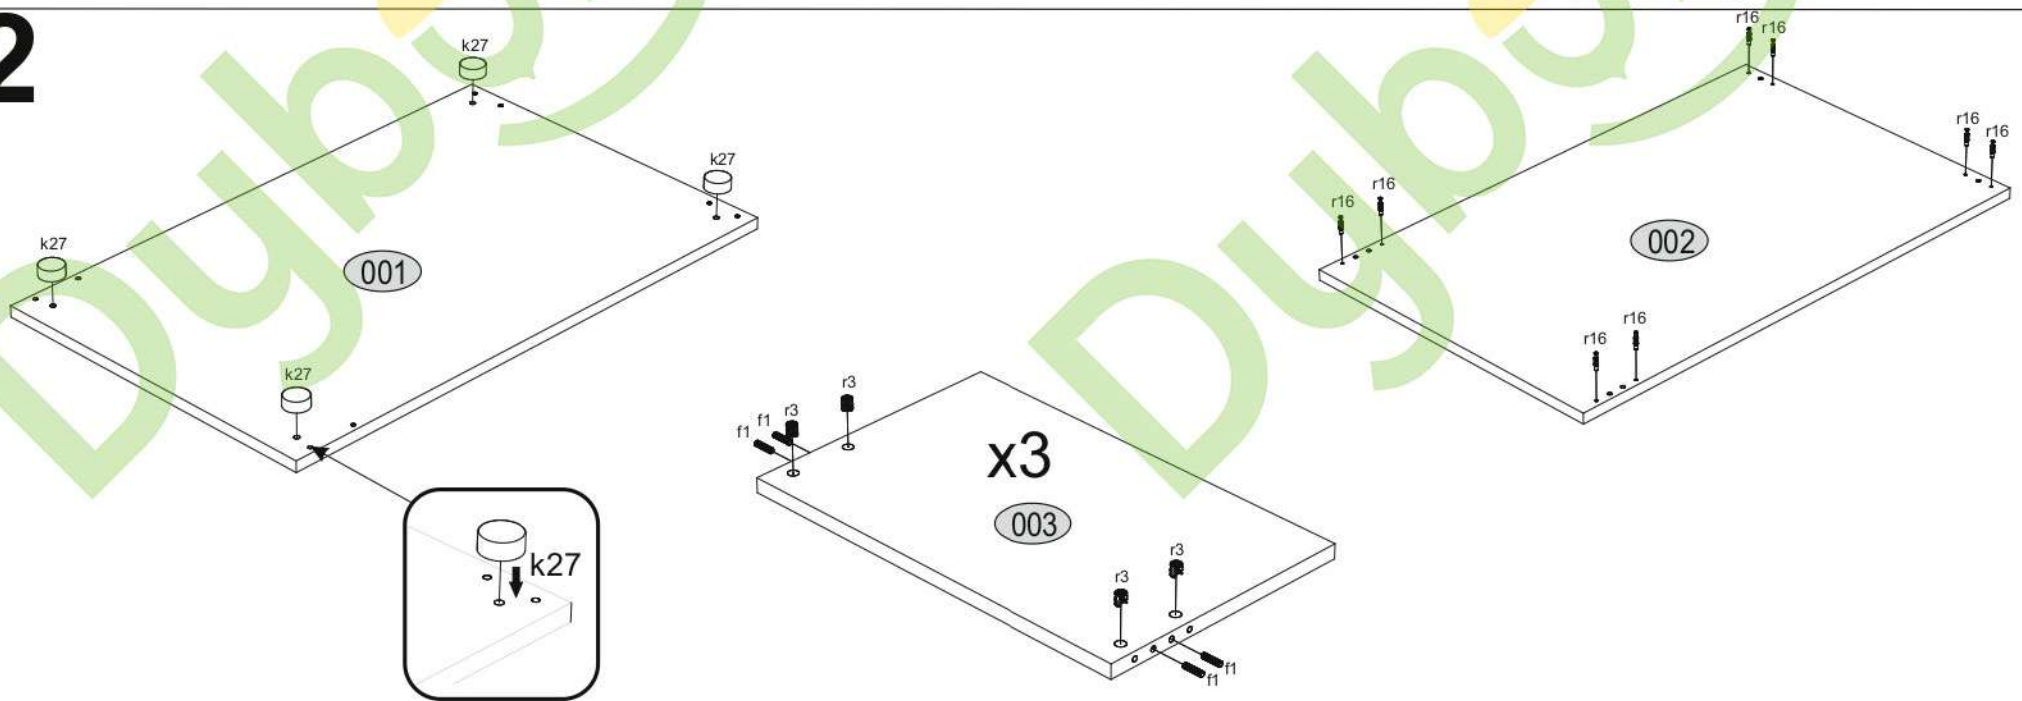

A line drawing of a white desk with a weight limit label. The label is a black square with the text "kg" in white, and to its right, the text "max 10 kg" in black. The desk has a rectangular top and a central support leg. On the left side, there are three horizontal shelves. On the right side, there are three horizontal shelves. The desk is shown from a perspective view.
