В шафі-купе «Практик» змінюється кількість деталей ДВП та з'єднувальна планка ДВП (при глибині менше 500мм). Схема збирання при цьому не змінюється.

In the "Practic" wardrobe, the number of fiberboard parts and the connecting strip of fiberboard changes (when the depth is less than 500 mm). At the same time, the assembly scheme does not change.
